AIR DEFLECTORS, FRONT

Front Air Deflectors feature a wraparound style that creates an air stream to help direct insects and road spray up and away from the hood and windshield without adversely affecting wiper or washer operation. Constructed of shatter-resistant polymers and custom molded to complement front end styling.

AIR DEFLECTORS, REAR

Mopar's Rear Air Deflector mounts on the rear liftgate to help keep the rear window cleaner. By directing a steady stream of air across the back of the vehicle while in motion, dirt and grime flows past the glass without settling. The attractive tinted deflector is made of shatter-resistant acrylic plastic.

AUDIO, SIRIUS SATELLITE RADIO SYSTEM

In-vehicle entertainment has evolved with another innovative product from MOPAR. Sirius Satellite Radio will introduce a new level of depth and content to radio listening by providing up to 100 channels of digital entertainment coast to coast; 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country sounds, ESPN Radio and The Weather Channel to Radio Disney and The History Channel. The system uses statistical multiplexing technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly from your vehicle's radio with the installation of a special receiver and permanent mount antenna. A monthly service fee will apply.

CELLULAR SYSTEMS, UCONNECT HANDS FREE

Hands-free calling is here! UConnect is the exclusive voice-activated, hands-free, in-vehicle communications system that uses a small control pad, microphone and speaker. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names and four numbers per name (128 entries) in the system's phonebook, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect includes Bluetooth technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading edge technology will allow you to store your wireless phone anywhere in the vehicle. UConnect is simple. All you need is a Bluetooth Hands-Free Profile wireless phone from any service provider.

SECURITY, EVS II PLUS SECURITY SYSTEM

EVS II Plus Security System turns your factory-installed keyless entry system into an advanced electronic security system. This system is for use on vehicles equipped with factory keyless entry, adding security features to your factory key fob. EVS II Plus features include a siren, flashing parking lights, dual stage shock sensor, starter interrupt and instrument panel warning light. The system arms and disarms through use of the Keyless Entry key fob. A wiring package is required for installation.
